

**MATRIX  
FLEECE JACKET HIGH VIS**

<p>UNI XS-3XL</p> <p>WR10397 KR. <b>1199</b></p>	<p><b>Colors</b> Safety Yellow</p> <p>This jacket is made of 100% polyester and features a brushed interior and knitted surface, providing both comfort and freedom of movement. It has a soft collar and a long zipper with a protective flap to shield the chin.</p> <p>The jacket includes elastic ribbed cuffs at the wrists and hem, as well as two practical zippered side pockets. The 5 cm wide reflective bands around the waist, on the sleeves, and shoulders ensure that you remain visible, even in low-light conditions.</p>
<p> </p> <p>EN ISO 20471 <b>cl. 2</b></p>	<p>Perfect as a mid-layer on cold days or as an outer jacket when it's warmer. Meets the requirements for Hi-Vis class 2 safety.</p> <p><b>Technical description:</b> Shell 1: 100% Polyester. Shell 2: 94% Polyester , 6% Elastane. EN ISO 20471, Class 2.</p>
<p></p> <p>Safety Yellow</p>	<p>    </p> <p>Wash the garment inside out in the machine at 40 degrees. Do not iron, tumble dry, bleach or dry clean. The effect of the reflective stripes gets reduced after multiple washes. Avoid using fabric softener.</p>
